**1.0 Content**

This regulation shall apply to the issuance and retention of a Skilled and Technical Sciences Teacher of a Specific Career Area Standard Certificate pursuant to 14 **Del.C.** §1220(a). The Skilled and Technical Science Teacher Standard Certificate is required for grades 5 to 12 in Delaware public schools. The Skilled and Technical Sciences Teacher Standard Certificate is issued in a Specific Career Area. A general Skilled and Technical Sciences Teacher Standard Certificate does not exist. Educators may become certified in more than one Specific Career Area by meeting the qualifications for each area.

**25 DE Reg. 177 (08/01/21)**

**2.0 Definitions**

The following words and terms, when used in this regulation, shall have the following meaning:

**"Department"** means the Delaware Department of Education.

**"Educator"** means a person licensed and certified by the State under 14 **Del.C.** Ch. 12 to engage in the practice of instruction, administration or other related professional support services in Delaware public schools, including charter schools, pursuant to rules and regulations promulgated by the Professional Standards Board and approved by the State Board of Education. The term 'educator' does not include substitute teachers.

**"Employing Authority"** means any entity which employs educators, and includes, but is not limited to, school districts, charter schools, boards of directors, and management companies.

**"Immorality"** means conduct which is inconsistent with the rules and principles of morality expected of an educator and may reasonably be found to impair an educator's effectiveness by reason of the educator's unfitness or otherwise.

**"Regionally Accredited"** means educational accreditation by a regional accrediting agency that is recognized by the U.S. Secretary of Education as a reliable authority concerning the quality of education offered by the institutions of higher education it accredits, including Middle States Commission on Higher Education.

**"Specific Career Area"** means a specific career area approved by the Department as a Career Technical Education Program as defined in the Skilled and Technical Sciences Certification Inventory or included in the Department's Skilled and Technical Sciences Standards.

**"Standard Certificate"** means a credential issued to certify that an educator has the prescribed knowledge, skill or education to practice in a particular area, teach a particular subject, or teach a category of students.

**"Standards Board"** means the Professional Standards Board established pursuant to 14 **Del.C.** §1201.

**"Valid and Current License or Certificate"** means a current full or permanent certificate or license issued by another state or jurisdiction. This means the educator is fully credentialed by having met all of the requirements for full licensure or certification in another state or jurisdiction and is in good standing in that state or jurisdiction. It does not include temporary, emergency, conditional certificates of eligibility or expired certificates or licenses issued from another state or jurisdiction.

**"Work Experience"** means full time employment or work training experience in the Specific Career Area for which the Standard Certificate is sought. An educator may substitute an Associate's degree in the specific Skilled and Technical Sciences career area of certification for a maximum of two years of work experience or a Bachelor's degree in the specific Skilled and Technical Sciences career area of certification for a maximum of four years of work experience.
