**901 Historic Preservation Tax Credit Program**

**Title:**

Amendments to the Regulations Governing the Historic Preservation Tax Credit Program

**Brief Synopsis:**

The Historic Preservation Tax Credit Act (30 **Del.C.** Ch. 18, Subch. II) was first enacted by the General Assembly in 2001 and was amended in 2002, 2003, 2004, 2005, 2010 and 2014. Program regulations were adopted on July 11, 2002 (6 DE Reg. 108 published 07/01/02), and were amended on July 11, 2004 (8 DE Reg. 194 published 07/01/04), on January 11, 2005 (8 DE Reg. 1031 published 01/01/05), on October 11, 2010 (14 DE Reg. 485, published 11/01/2010) and on September 11, 2014 (18 DE Reg. 237 published 09/01/14). The purpose of these proposed regulatory amendments is to specify under what circumstances a Credit Award would be withdrawn, to establish a time frame during which rehabilitation work may qualify for a Credit Award, and to amend the fee schedule. Clarifications and technical corrections are also made throughout the regulation.

Section 5.5 proposes regulatory revisions that would limit applicants to applying for credits only for rehabilitation work that is proposed; work that has been completed prior to approval of the Part 2 application will now be ineligible for tax credits. A change to Section 4.4 eliminates the exemption for submitting a Part 1 application that had applied to certain applicants.

Sections 5.9, 5.10, and 6.3 propose or clarify circumstances in which an applicant must forfeit or the Delaware State Historic Preservation Officer can withdraw a Credit Award. Section 5.9 also eliminates the conflict between §1816(a) of the promulgating legislation which limits credit awards in any tax year to the amount authorized and §1816(c) which allows for re-assignment of forfeited credits. As forfeited tax credits were rarely available in the tax year in which they were awarded, they are essentially precluded from being awarded to other applicants. In §1815(b)(1) of the promulgating legislation, the State Office is given the power to charge a fee for inspections and other expenses. Section 7.1 proposes altering the timing for submittal of a Request for Credit Award, and subsection 7.2 is deleted as it would be rendered unnecessary by the change in 7.1.

Section 8.1 proposes an increase in the fees being charged for this activity, and indicates how the fees will be collected. Section 8.2 indicates how the State may use the fees collected. In addition, these proposed regulatory amendments modify definitions in Section 3.0 to update legal citations as well as clarify four definitions. Finally, there are minor changes made in sixteen sections of the regulations in order to clarify the regulatory process, particularly the coordination process with the Division of Revenue (Sections 5.1, 5.2, 5.4, 5.5, 5.6, 5.7, 5.9, 5.11, 5.12, 6.1, 6.2, 6.4, 6.5, 6.6, 7.3, and 7.5.). The Historic Preservation Tax Credit Act is designed to promote community revitalization and redevelopment through the rehabilitation of historic property by providing tax credits for expenditures made to rehabilitate a certified historic property.
