1204 Drinking Driver Programs Standard Operating Procedures

1.0 ~~Nature and Purpose~~

~~Pursuant to 21 Del.C. §4177D, this is a policy of the Department of Public Safety, Office of Highway Safety. The purpose of this document is to provide a written operating procedure that shall apply to all Department of Public Safety contracted treatment, education and assessment providers. The Secretary of Public Safety or his/her designee must approve any changes to this document.~~

~~6 DE Reg. 1361 (4/1/03)~~

2.0 ~~Definitions~~

~~**"Administrative Discharge"** The client has evidenced a need for services other than those available through the program. For example, worsening alcoholism that results in admission to detoxification or residential treatment services. This status is also assigned for clients who cannot attend the program for reasons beyond their control (i.e., permanent disability occurring after enrollment).~~

~~**"Case Management"** The process of coordinating and monitoring the services provided to a client both within a program and in conjunction with other providers. In the context of the Delaware DUI System, Case Management Services will only be provided by the Department of Public Safety contracted evaluation and referral provider.~~

~~**"Discharge Status"**~~

~~**"Discharge at Risk"** This category indicates that the client has completed the program's attendance requirements and paid the required fee, but has not demonstrated sufficient change to indicate responsible behavior in the community.~~

~~**"Non-Compliance"** The client has failed to comply with the rules and regulations associated with program entry and has also failed to comply with the conditions and expectations as outlined in the initial sessions.~~

~~**"Satisfactory"** This category indicates that the client has completed the program and that he/she has evidenced positive behavioral change, which indicates the capacity for responsible future behavior.~~

"Enrollment" The point at which the intake process has been completed, the client has paid the full Education Program fee or half of the Outpatient Program fee, and the program begins to provide clinical service.

"In-State Clients" The Delaware Evaluation and Referral Program will be responsible for coordinating services to address the client's DUI incident, for monitoring compliance with Delaware law regarding DUI, and updating client information and disposition status in the online tracking system. For those clients discharged at-risk, DERP is responsible for coordinating a referral for continuing treatment. DERP will also monitor the client's status for compliance with discharge requirements and update their disposition in the online tracking system.

"No Show" Defined as when a client fails to show for a scheduled appointment; is late for a scheduled appointment; calls to cancel a scheduled appointment without adequate notice; arrives for an appointment without the needed documentation; or arrives for an appointment under the influence of alcohol as evidenced by a positive breathalyzer.

"Out-of-State Clients" DERP is responsible for referring out-of-state clients to an approved provider in their area. DERP will continue to monitor the client's progress and status through communications with the out-of-state agency. Once the offender has completed the program in their area, DERP will review the evaluation results for compliance with the Delaware DUI program requirements. DERP will also be responsible to update the online tracking system with regard to the client's disposition status.

5.1 DUI Education Program

5.1.1 Overview

- 5.1.1.2 This program is designed for the first time offender who is of legal age to consume alcohol in the State of Delaware and who presents for an assessment following a DUI incident without evidence of an abuse problem, and typically with a BAC of less than 0.15.
- 5.1.1.3 The client referred to the program will receive 16 hours of education services through eight 2-hour classes. The class enrollment may be open or closed as long as the client does not have to wait more than 30 days to get started. The frequency of the meetings may vary by program.
- 5.1.1.4 Typically, the client will be referred to a program in the client's county of residence, but may request a referral to any of the three counties in Delaware.
- 5.1.1.5 During the course of the 16-hour program, a urine drug screen (UDS) will be administered to every client. A positive UDS is grounds for immediate discharge at risk from the Education program. (Other criteria that can result in a discharge at risk can be found on Page 14.)
- 5.1.1.6 Clients discharged at risk from the Education program will be referred to a higher level of care, as determined by the client's counselor. This can include a referral to a DUI Outpatient treatment program, an intensive outpatient program at another agency, or an inpatient program at another agency.

The client must attend all scheduled classes, pay the fee, and get a passing grade (80% or greater) on a standardized content test; the client must also complete the requirements of the program within 90 days of the referral. Participation must be evident and the client must present an acceptable DUI Avoidance Plan. (Attachment J) Attendance at an addiction-focused community support group is also required.
- 5.1.3.2 Non-Compliance. The client will be considered non-compliant and a non-compliance discharge status will be assigned if the client meets any of the following criteria:
 - 5.1.3.2.1 The client fails to begin the program within 30 days of referral.
 - 5.1.3.2.2 The client fails to pay the required fee according to the program, or individually designed payment plan.
 - 5.1.3.2.3 The client contact is lost for more than 30 days.
 - 5.1.3.2.4 The client has failed to complete the program within 90 days of the referral.
 - 5.1.3.2.5 A non-compliance discharge will also be assigned to clients who are disruptive to the process.

- 5.1.3.3 At Risk. A client who has failed to accomplish the goals and objectives of the Education Program will be released under an At Risk status. (Attachment K) Specific reasons for this status include:

5.2 The DUI Out-Patient Treatment Program

5.2.1 Overview

5.2.1.1 This program consists of the base program and two sub-programs, all of which require a minimum of sixteen hours of drug and alcohol treatment.

5.2.1.1.2 The “Alternative/Mental Health Treatment Program” provides services specifically geared to the issues most common to this population.

5.2.1.2 This program is designed for the repeat offender and the first offender who presents for an assessment following a DUI incident with evidence of an abuse problem and with a BAC of greater than 0.15.

5.2.2 Acceptance of Prior Treatment

5.2.2.1 Clients having received prior treatment services will be required to attend the DUI Provider’s DUI program orientation. Having completed any form of intensive substance abuse treatment indicates, in and of itself, a level of need that would typically warrant extended care and monitoring.

5.2.2.2 These clients will be required to submit for a detailed assessment and should bring all paperwork relating to any prior substance abuse treatment. A urine drug screen will be required at the time of assessment. Any treatment received within the last 60 days will be reviewed and a clinical decision made to determine the extent to which the treatment satisfies DUI Outpatient Treatment Program’s requirements. Any treatment older than 60 days will not be considered.

5.2.2.3 If the clinical determination is that the substance abuse treatment was adequate, but the “drinking and driving” component of the program was missing, the client will be referred to a DUI Education Program to ensure that this component is received. If the treatment completed was an inpatient program, after-care services will be required prior to discharge from the DUI program.

5.2.3.2 No Show (group session) –\$35.00

- 5.3 Resolution of At-Risk Discharge. To resolve an at-risk discharge, the client must enroll in a more in-depth treatment program, and subsequently complete the program satisfactorily.
 - 5.3.1 The client may choose to continue receiving services with the current agency, or may choose to receive the required services at a new agency (a list of accepted agencies will be provided at the time of discharge).
 - 5.3.2 If a new agency is chosen, that agency must be licensed by the Division of Substance Abuse and Mental Health (DSAMH).
 - 5.3.3 The client must contact the discharging agency prior to the start of the new treatment program and sign a release of information form with both agencies.
 - 5.3.4 The client must remain drug and alcohol free for a minimum of 12 weeks prior to successful discharge.
