FINAL

ORDER

100 Board of Accountancy

On September 1, 2014, the Delaware Board of Accountancy published proposed changes to its regulations in the Delaware *Register of Regulations*, Volume 18, Issue 3. The notice indicated that written comments would be accepted by the Board, a public hearing would be held, and written comments would be accepted for fifteen days thereafter. After due notice in the *Register of Regulations* and two Delaware newspapers, a public hearing was held on November 19, 2014 at a regularly scheduled meeting of the Board of Accountancy to receive verbal comments regarding the Board's proposed amendments to its regulations.

SUMMARY OF THE EVIDENCE AND INFORMATION SUBMITTED

At the time of the deliberations, the Board considered the following documents:

Board Exhibit 1- Affidavit of publication of the public hearing notice in the *News Journal*; and

Board Exhibit 2- Affidavit of publication of the public hearing notice in the *Delaware State News*.

Two individuals provided verbal testimony at the public hearing. No written comments were received by the Board.

Lucinda Peterson: Ms. Peterson commented that the proposed amendments will restrict who can obtain a firm permit and who is permitted to use the title C.P.A.

Board response: The Board does not understand Ms. Peterson's comment. In the Board's view the question of firm ownership and use of the designation "C.P.A." are unrelated and use of the designation will not be affected by the amendment. No change was made in the final regulation in response to this comment.

Sharon Cirillo: Ms. Cirillo stated that she does not take issue with the proposed amendment but that publicly traded entities such as banks might. She suggested that the Board reach out to such entities so that the amendment does not impede their business practices.

Board response: The Board noted that the proposed amendment was properly noticed and is in accord with the Uniform Accountancy Act. No change was made in the final regulation in response to this comment.

FINDINGS OF FACT AND CONCLUSIONS

1. The public was given notice and an opportunity to provide the Board with comments on the proposed amendments to the Board's regulations in writing and by testimony at the public hearing.
2. There were no public comments provided to the Board during the written public comment periods.
3. Pursuant to 24 **Del.C.** §105(a)(1) the Board has the statutory authority to promulgate rules and regulations clarifying specific statutory sections of its statute.
4. Having reviewed and considered all public comments, the Board finds no reason not to amend the regulations as proposed.

DECISION AND ORDER CONCERNING THE REGULATIONS

NOW THEREFORE, pursuant to 24 **Del.C.** §105(a)(1) and for the reasons set forth above, the Board does hereby ORDER that the regulations be, and that they hereby are, adopted and promulgated as set forth in the Delaware *Register of Regulations* on September 1, 2014. The effective date of this Order is ten days from the date of its publication in the Delaware *Register of Regulations*, pursuant to 29 **Del.C.** §10118(g).

The new regulations are attached hereto as Exhibit A.

SO ORDERED this 18th day of November, 2015.

12.0 Additional Provisions Concerning Examinations

12.1 All examinations required under 24 **Del.C.** Ch. 1 and these Rules and Regulations shall be graded by the applicable grading service of the organization offering the examination.

12.2 Applications to sit for the Uniform Certified Public Accountant examination ("CPA examination") shall be submitted in completed form to the Board's designated agent by the dates determined by the Board's designated agent.

12.3 The CPA examination shall be in the subjects of accounting and reporting, financial accounting and reporting, auditing, and business law, and in such other or additional subjects that may be covered in successor examinations as may be required to qualify for a certificate.

12.4 Rules for Examination.

12.4.1 An applicant who commits an act of dishonesty or otherwise engages in any other form of misconduct, will be expelled from the examination room and may be denied the right to sit for future examinations.

12.4.2 Applicants will be informed in writing of the results achieved in each section.

12.5 Passing Grade on the Uniform CPA Examination

12.5.1 An applicant for a certificate who receives a passing grade as determined by the AICPA Board of Examiners in all four subjects shall be deemed to have passed the CPA Examination.

12.5.2 An applicant who is taking only the Financial Accounting and Reporting (FAR) and Auditing and Attestation (AUD) sections of the CPA examination in order to apply for a permit to practice public accounting, who receives a passing grade as determined by the AICPA Board of Examiners in both required subjects, shall be deemed to have passed the applicable parts of the CPA examination.

12.6 Transfer of Credit for Subjects Passed in Another Jurisdiction

12.6.1 An applicant who has passed one or more sections of the examination in another jurisdiction will be permitted to transfer to this jurisdiction credit for the sections so passed under the following conditions:

12.6.1.1 At the time he or she sat for the examination in the other jurisdiction, he or she met all the requirements of the Delaware Accountancy statute and Rules and Regulations to sit for the examination in Delaware; and

12.6.1.2 At the time he or she makes application to sit for the examination in Delaware, he or she meets all the requirements of the Delaware Accountancy statute and Rules and Regulations; and

12.6.1.3 Credit for any subject of the examination which is transferred from some other jurisdiction to Delaware will be treated as if that credit had been earned in Delaware on the same date such credit was earned in the other jurisdiction.

12.6.2 The Board will require satisfactory evidence from the transferring jurisdiction as to the validity of the credit.

12.6.3 If an applicant has passed all sections of the examination in one or more other jurisdictions, but does not possess a certificate or permit from one of the jurisdictions in which a subject was passed, transfer of credit will only be permitted if a satisfactory explanation of such lack of a certificate or permit is furnished to the Board in writing. The Board may require a written explanation of why no certificate or permit was issued from the jurisdiction in which the final section was successfully completed.

12.7 Computer-Based Examination

12.7.1 Effective with the implementation of the computer-based examination, a candidate may take the required test sections individually and in any order. Except as provided in Rule 12.7.3, credit for any test section(s) passed shall be valid for eighteen months from the actual date the candidate took the test section, without having to attain a minimum score on any failed test section(s) and without regard to whether the candidate has taken other test sections. The candidate shall also be subject to the following:

12.7.1.1 Candidates must pass all four test sections of the CPA examination within a rolling eighteen-month period, that begins on the date that the first test section is passed.

12.7.1.2 Candidates cannot retake a failed test section(s) in the same examination window. An examination window refers to a three-month period in which candidates have an opportunity to take the examination (comprised of two months in which the examination is available to be taken and one month in which the examination will not be offered while routine maintenance is performed and the item bank is refreshed). Thus, candidates will be able to test two out of three months within an examination window.

12.7.1.3 In the event all four test sections of the examination are not passed within the rolling eighteen month period, credit for any test section(s) passed outside the eighteen-month period will expire and that test section(s) must be retaken.

12.7.2 Effective October 31, 2005 all credits earned under a paper and pencil examination are no longer valid and will not be accepted.

12.7.3 The Board may extend the eighteen-month time period set forth in Rule 12.7.1.1 in cases of substantial hardship as determined by the Board in its discretion.

12.7.4 A candidate shall be deemed to have passed the examination once the candidate holds, at the same time, valid credit for passing each of the four test sections of the examination. For purposes of this Rule, credit for passing a test section of the computer-based examination is valid from the actual date of the testing event for that test section, regardless of the date the candidate actually received notice of the passing grade.

12.7.5 Effective August 1, 2012, all candidates for the CPA examination shall hold, at a minimum, a Baccalaureate Degree with a concentration in accounting, pursuant to Rule 4.1.4.2. 15.0 Voluntary Treatment Option for Chemically Dependent or Impaired Professionals

- 15.1 If the report is received by the chairperson of the regulatory Board, that chairperson shall immediately notify the Director of Professional Regulation or his/her designate of the report. If the Director of Professional Regulation receives the report, he/she shall immediately notify the chairperson of the regulatory Board, or that chairperson's designate or designates.
- 15.2 The chairperson of the regulatory Board or that chairperson's designate or designates shall, within 7 days of receipt of the report, contact the individual in question and inform him/her in writing of the report, provide the individual written information describing the Voluntary Treatment Option, and give him/her the opportunity to enter the Voluntary Treatment Option.
- 15.3 In order for the individual to participate in the Voluntary Treatment Option, he/she shall agree to submit to a voluntary drug and alcohol screening and evaluation at a specified laboratory or health care facility. This initial evaluation and screen shall take place within 30 days following notification to the professional by the participating Board chairperson or that chairperson's designate(s).
- 15.4 A regulated professional with chemical dependency or impairment due to addiction to drugs or alcohol may enter into the Voluntary Treatment Option and continue to practice, subject to any limitations on practice the participating Board chairperson or that chairperson's designate or designates or the Director of the Division of Professional Regulation or his/her designate may, in consultation with the treating professional, deem necessary, only if such action will not endanger the public health, welfare or safety, and the regulated professional enters into an agreement with the Director of Professional Regulation or his/her designate and the chairperson of the participating Board or that chairperson's designate for a treatment plan and progresses satisfactorily in such treatment program and complies with all terms of that agreement. Treatment programs may be operated by professional Committees and Associations or other similar professional groups with the approval of the Director of Professional Regulation and the chairperson of the participating Board.
- 15.5 Failure to cooperate fully with the participating Board chairperson or that chairperson's designate or designates or the Director of the Division of Professional Regulation or his/her designate in regard to the Voluntary

Treatment Option or to comply with their requests for evaluations and screens may disqualify the regulated professional from the provisions of the Voluntary Treatment Option, and the participating Board chairperson or that chairperson's designate or designates shall cause to be activated an immediate investigation and institution of disciplinary proceedings, if appropriate, as outlined in subsection 15.8 of this section.

- 15.6 The Voluntary Treatment Option may require a regulated professional to enter into an agreement which includes, but is not limited to, the following provisions:
- 15.6.1 Entry of the regulated professional into a treatment program approved by the participating Board. Board approval shall not require that the regulated professional be identified to the Board. Treatment and evaluation functions must be performed by separate agencies to assure an unbiased assessment of the regulated professional's progress.
 - 15.6.2 Consent to the treating professional of the approved treatment program to report on the progress of the regulated professional to the chairperson of the participating Board or to that chairperson's designate or designates or to the Director of the Division of Professional Regulation or his/her designate at such intervals as required by the chairperson of the participating Board or that chairperson's designate or designates or the Director of the Division of Professional Regulation or his/her designate, and such person making such report will not be liable when such reports are made in good faith and without malice.
 - 15.6.3 Consent of the regulated professional, in accordance with applicable law, to the release of any treatment information from anyone within the approved treatment program.
 - 15.6.4 Agreement by the regulated professional to be personally responsible for all costs and charges associated with the Voluntary Treatment Option and treatment program(s). In addition, the Division of Professional Regulation may assess a fee to be paid by the regulated professional to cover administrative costs associated with the Voluntary Treatment Option. The amount of the fee imposed under this subparagraph shall approximate and reasonably reflect the costs necessary to defray the expenses of the participating Board, as well as the proportional expenses incurred by the Division of Professional Regulation in its services on behalf of the Board in addition to the administrative costs associated with the Voluntary Treatment Option.
 - 15.6.5 Agreement by the regulated professional that failure to satisfactorily progress in such treatment program shall be reported to the participating Board's chairperson or his/her designate or designates or to the Director of the Division of Professional Regulation or his/her designate by the treating professional who shall be immune from any liability for such reporting made in good faith and without malice.
 - 15.6.6 Compliance by the regulated professional with any terms or restrictions placed on professional practice as outlined in the agreement under the Voluntary Treatment Option.
- 15.7 The regulated professional's records of participation in the Voluntary Treatment Option will not reflect disciplinary action and shall not be considered public records open to public inspection. However, the participating Board may consider such records in setting a disciplinary sanction in any future matter in which the regulated professional's chemical dependency or impairment is an issue.
- 15.8 The participating Board's chairperson, his/her designate or designates or the Director of the Division of Professional Regulation or his/her designate may, in consultation with the treating professional at any time during the Voluntary Treatment Option, restrict the practice of a chemically dependent or impaired professional if such action is deemed necessary to protect the public health, welfare or safety.
- 15.9 If practice is restricted, the regulated professional may apply for unrestricted licensure upon completion of the program.
- 15.10 Failure to enter into such agreement or to comply with the terms and make satisfactory progress in the treatment program shall disqualify the regulated professional from the provisions of the Voluntary Treatment Option, and the participating Board shall be notified and cause to be activated an immediate investigation and disciplinary proceedings as appropriate.
- 15.11 Any person who reports pursuant to this section in good faith and without malice shall be immune from any civil, criminal or disciplinary liability arising from such reports, and shall have his/her confidentiality protected if the matter is handled in a nondisciplinary matter.
- 15.12 Any regulated professional who complies with all of the terms and completes the Voluntary Treatment Option shall have his/her confidentiality protected unless otherwise specified in a participating Board's rules and regulations. In such an instance, the written agreement with the regulated professional shall include the potential for disclosure and specify those to whom such information may be disclosed.
