PROPOSED

PUBLIC NOTICE

Educational Impact Analysis Pursuant to 14 Del.C. §122(d)

1543 Secondary Science Teacher

A. TYPE OF REGULATORY ACTION REQUESTED

Amendment to Existing Regulation

B. SYNOPSIS OF SUBJECT MATTER OF REGULATION

Pursuant to 14 **Del.C.** §§1203 and 1205(b), the Professional Standards Board ("Board"), acting in consultation and cooperation with the Delaware Department of Education ("Department"), developed amendments to 14 **DE Admin. Code** 1543 Secondary Science Teacher. The regulation concerns the requirements for a Secondary Science Teacher Standard Certificate in accordance with 14 **Del.C.** §1220. The proposed amendments include striking and revising defined terms in Section 2.0; clarifying subsection 3.1.2, which concerns applicants who hold an educator's license or certificate from another state or jurisdiction; adding new Praxis Subject Assessments as an option in subsection 4.1.2; adding subsection 5.2, which concerns an applicant's criminal conviction history; moving the section concerning Secretary of Education review up to Section 6.0 and renumbering the existing subsequent subsections; and adding Section 10.0, which concerns applicants' and Educators' contact information with the Department and specifies how they can change their name or address.

Persons wishing to present their views regarding this matter may do so in writing by submitting them to the Department of Education, Office of the Secretary, Attn: Regulation Review, 401 Federal Street, Suite 2, Dover, Delaware 19901 or through the Department's online submission form at <https://education.delaware.gov/community/delaware-education-laws-and-regulations/provide-public-comment/> by the close of business (4:30 p.m. EST) on or before August 2, 2022. Any person who wishes to receive a copy of the proposed regulation may obtain a copy from the Department at the Office of the Secretary on the second floor of the Townsend Building, 401 Federal Street, Dover, Delaware.

C. IMPACT CRITERIA

1. Will the amended regulation help improve student achievement as measured against state achievement standards? The existing and proposed education, knowledge, and skill requirements in Section 4.0 are designed to improve the quality of the educator workforce, which will help to improve student achievement.

2. Will the amended regulation help ensure that all students receive an equitable education? The existing and proposed education, knowledge, and skill requirements in Section 4.0 are designed to improve the quality of the educator workforce, which will help to ensure students in Delaware public schools receive an equitable education.

3. Will the amended regulation help to ensure all students' health and safety are adequately protected? The amended regulation addresses a standard certificate for educators and is not designed to help ensure students' health and safety is protected.

4. Will the amended regulation help to ensure that all students' legal rights are respected? The amended regulation addresses a standard certificate for educators and is not designed to help ensure students' legal rights are respected.

5. Will the amended regulation preserve the necessary authority and flexibility of decision-makers at the local board and school level? The amended regulation does not change authority and flexibility of decision makers at the local board and school level. By statute (14 **Del.C.** § 1224), a school district or charter school may request that the Secretary of Education review the credentials of an applicant who does not meet the requirements for a Secondary Science Teacher Standard Certificate but whose effectiveness is documented by the district or school. Proposed Section 6.0, which moves existing language up, is consistent with the statute.

6. Will the amended regulation place unnecessary reporting or administrative requirements or mandates upon decision makers at the local board and school levels? The amended regulation does not place unnecessary reporting or administrative requirements or mandates upon decision makers at the local board and school levels. The proposed and existing application requirements in Section 5.0 apply to individual applicants. In addition, the proposed requirements in Section 10.0 apply to individual applicants and Educators.

7. Will decision making authority and accountability for addressing the subject to be regulated be placed in the same entity? The Department implements the rules and regulations promulgated and adopted pursuant to 14 **Del.C.** Ch. 12

relating to licensure and certification of educators.

8. Will the amended regulation be consistent with and not an impediment to the implementation of other state educational policies, in particular to state educational policies addressing achievement in the core academic subjects of mathematics, science, language arts, and social studies? The amended regulation is consistent with, and not an impediment to, the implementation of other state educational policies, and in particular to state educational policies addressing achievement in the core academic subjects of mathematics, science, language arts, and social studies.

9. Is there a less burdensome method for addressing the purpose of the amended regulation? There is not a less burdensome method for addressing the purpose of this amended regulation.

10. What is the cost to the state and to the local school boards of compliance with the amended regulation? There is no expected cost to the state and to the local school boards of complying with this amended regulation.

***Please Note: The Regulatory Flexibility Analysis and Impact Statement for this regulation, as required by 29 Del. C. Ch. 104, is available at:**
